

STUDIO HUB ARCHITECTS

SELECTED CLIENT PROJECTS & PORTFOLIO SUMMARY

Luxury Modern Architecture • Interiors • Design

Nairobi, Kenya • 2026

Prepared for Client Proposals, Meetings & Website Use

Introduction

At Studio Hub Architects, we craft timeless, functional, and elegant spaces that respond to the unique context of Kenya while embracing modern luxury. Our practice spans high-end residential renovations, commercial fit-outs, and hospitality projects — from intimate balcony transformations to full restaurant and office developments.

This curated portfolio presents selected client projects that demonstrate our end-to-end capability: concept design, detailed documentation, material specification, regulatory approvals, and on-site supervision. Each project reflects our commitment to quality craftsmanship, thoughtful detailing, and strong client collaboration.

Contents

Cafe & Hospitality Projects

We design vibrant, experience-driven spaces for cafes, restaurants, and bars that balance atmosphere, functionality, and brand identity.

Artcaffe (Artcaffé Coffee & Bakery)

A leading Nairobi cafe chain known for its contemporary-rustic interiors, bakery, bar, and casual dining experience across multiple high-traffic locations.

Key Scope:

- Interior design language blending modern comfort with warm, inviting textures
- Space planning for high-volume service, seating zones, and display areas
- Lighting, materiality, and branding integration across locations

Artcaffe Interior / Ambience Render or Photograph

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Poolside Restaurant & Bar

A nature-integrated modern restaurant and bar featuring an innovative pool tables area — designed as a relaxed yet sophisticated leisure destination.

Key Scope:

- Full service bar and restaurant layout with seamless indoor-outdoor flow
- Integrated recreational zone (pool tables) within the dining experience
- Material palette emphasizing natural textures and modern minimalism
- Promotional content and Instagram captions developed for launch

Poolside Restaurant – 3D Render or Site View

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Ramsas Cafe

Branding and visual identity project for a new cafe concept, establishing a memorable logo and design language aligned with the client's vision.

Key Scope:

- Logo design and brand identity development
- Visual guidelines for consistent application across signage and collateral

Ramsas Cafe Logo Concepts or Branding Mockups

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Residential Projects

From intimate apartment transformations to full luxury mansion designs, we deliver personalized, high-end living spaces that elevate everyday life.

Melisa Njuguna – Temple House Apartment, Kiambu County

Complete balcony transformation turning an underutilized outdoor space into a luxurious private retreat with custom furnishings and finishes.

Key Scope:

- Custom outdoor seating and lounge configuration
- Privacy fence / screen design with integrated planters
- Decorative lighting scheme and artificial grass carpet
- Lounge table and full material specification
- Local Nairobi sourcing and detailed client invoicing

Temple House Balcony – Before / After or 3D Visualization

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Luxury Residential Portfolio

Ongoing work across high-end homes including 5-bedroom mansions, villa renovations, and dream-home transformations featuring floating beds, dramatic TV walls, marble cloakroom makeovers, and refined landscaping solutions.

Signature Elements:

- Sleek modern minimalism with warm material contrasts
- Floating bed platforms and integrated storage solutions
- Statement TV walls and feature lighting
- Marble and stone cloakroom transformations
- Landscaping with loft tanks, drainage, and outdoor living zones
- Structural modifications: beams, columns, formwork coordination

Luxury Mansion Exterior or Interior Render

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Commercial & Office Projects

Mageta Road Office Block – Kiambu County

Full architectural services for a commercial office development, from concept through regulatory approvals and construction documentation.

Key Scope:

- Architectural design and space planning for office use
- Structural drawings and engineering coordination
- County submissions, approvals, and documentation
- Printing and project administration support
- Ongoing invoicing and client liaison

Mageta Road Office – Floor Plan or 3D Massing

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Regional & Site Supervision Projects

Takaba, Mandera County

Active on-site architectural supervision and design implementation in northern Kenya, working closely with local fundis and coordinating design team visits for quality delivery.

Key Scope:

- Regular site visits and progress monitoring
- Coordination of formwork, structural modifications, and masonry sequencing
- On-site problem-solving and quality assurance
- Collaboration with local contractors and material sourcing

Takaba Site Progress or Supervision Photograph

High-resolution render • Floor plan • Photography • Recommended: 300dpi landscape

Why Partner with Studio Hub Architects?

We deliver more than drawings — we provide a complete, professional service from initial concept to final handover. Our clients value clear communication, meticulous attention to detail, and designs that are both beautiful and buildable.

Our Strengths:

- End-to-end capability: Design • Documentation • Approvals • Execution Oversight
- Strong local networks for material sourcing and contractor coordination
- Experience across luxury residential, commercial, and hospitality typologies
- Professional documentation and transparent project administration
- Creative use of renders, virtual tours, and visual communication tools

Ready to discuss your next project?

We would be delighted to explore how we can bring your vision to life.
